

GrowX Global welcomes Neil Lock as VP of Capital Markets

Vancouver, British Columbia, May 9, 2019 - GrowX Global Corp, (GrowX) a producer and exporter of Cannabis and Hemp products based in Vancouver BC, is pleased to announce that Neil Lock has joined the company as Vice President of Capital Markets.

Neil is a seasoned capital markets professional with more than 13 years of experience communicating with the investment community. Neil has hosted over 60 investor-related events globally, has assisted many companies in raising capital, and has a comprehensive network of qualified investors & investment companies. He is the founder of the RAISE Conference Series, which specializes in investor-broker meetings, currently hosting events in Vancouver, Calgary & Toronto. [Click here for his LinkedIn Profile](#)

"We are very pleased to have Neil join our team" says Jas Basi, CEO. "He brings a wealth of expertise in public markets and investor relations that will be instrumental to our growth".

Neil will focus on introducing GrowX to the investment community through Investor-Broker Meetings, Investor Event Presentations, Facility Tours and Conference Meetings.

"I'm looking forward to sharing the GrowX opportunity with my network and the investment community at large" said Neil Lock, "and playing a part in the overall success of the company by building a strong and engaged shareholder base."

Forward Looking Statements

This Newsletter contains certain information that may constitute “forward-looking information” within the meaning of Canadian securities laws and forward-looking statements within the meaning of U.S. federal securities laws, both of which the Corporation refers to as forward-looking information. Forward-looking information can be identified by the use of terms such as “may”, “will”, “should”, “expect”, “plan”, “anticipate”, “believe”, “intend”, “estimate”, “predict”, “potential”, “continue” or other similar expressions concerning matters that are not statements about the present or historical facts. Forward-looking information in this Newsletter includes, but is not limited to, information or statements about: the business model and illustrations; the Company’s strategy, future operations, prospects and the plans of management; the design, regulatory plan, timeline, costs and results of cannabis licensing and production; the timing of future meetings and discussions with Health Canada and other regulatory bodies; planned regulatory filings, and the timing thereof; anticipated marketing advantages and product differentiation of and its potential to become a licensed producer; the Company’s estimates of the size of the potential market, potential for market expansion, and the rate and degree of market acceptance, and the Company’s ability to serve such market; the Company’s strategy and ability to develop, commercialize and distribute in international markets; the Company’s ability to complete business development, marketing and other commercialization activities and the estimated timing thereof; the Corporation’s sales, distribution and marketing strategy; the Corporation’s intention and ability to obtain and maintain regulatory approvals, the timing and costs of obtaining same; the success of competing products that are or become available; the potential for commercial opportunities in various geographies and indications, including co-development and/or marketing partnerships and possible licensing and partnership opportunities, and the benefits to be derived from such commercial opportunities; and the Company’s preferred strategy to commercialize through strategic partnerships.

Although the forward-looking information in this Newsletter is based upon what the Company believes are reasonable assumptions, no person should place undue reliance on such information since actual results may vary materially from the forward-looking information. In addition, forward-looking information in this Newsletter is subject to a number of known and unknown risks, uncertainties and other factors, many of which are beyond the Company’s control, that could cause the Company’s actual results and developments to differ materially from those that are disclosed in or implied by the forward-looking information. Consequently, all the forward-looking information in this Newsletter is qualified by this cautionary statement and there can be no guarantee that the results or developments that the Company anticipates will be realized or, even if substantially realized, that they will have the expected consequences or effects on the Company’s business, financial condition or results of operations. Accordingly, you should not place undue reliance on the forward-looking information. Except as required by applicable law, the Company does not undertake to update or amend any forward-looking information, whether as a result of new information, future events or otherwise. All forward-looking information is made as of the date of this Newsletter.
