

GrowX Global Plants First Hemp Crop on Schedule

Vancouver, British Columbia, May 13, 2019 - GrowX Global Corp, ("GrowX") a producer and exporter of Cannabis and Hemp products based in Vancouver B.C., is pleased to announce that the company has planted its first hemp crop on schedule on 20 acres of company owned property in Mission, B.C.

GrowX received its license to cultivate, process and distribute industrial hemp in March 2019 and immediately began site preparation for planting. The property was cleared and prepped for planting and the company completed planting the first 5 acres on May 13, 2019 two days ahead of schedule with another 15 acres to be planted by the end of the month.

The crop will yield approximately 18,000 hemp plants and has an expected harvest timeline of August 2019. Production and extraction of Hemp based CBD is expected to produce approximately 227 kg of hemp oil with a current market value of more than \$1.3 Million CAD.

For more information about our hemp production or general information about GrowX Global, please contact us at admin@growxglobal.com

About GrowX Global Corp.

GrowX Global is positioned to be a Canadian producer and exporter of dry cannabis, cannabis oils and hemp products. We are focused on bridging the gap between the current global lack of supply and massive growing demand for Hemp based CBD and pharmaceutical grade Cannabis products.

Forward Looking Statements

This Newsletter contains certain information that may constitute “forward-looking information” within the meaning of Canadian securities laws and forward-looking statements within the meaning of U.S. federal securities laws, both of which the Corporation refers to as forward-looking information. Forward-looking information can be identified by the use of terms such as “may”, “will”, “should”, “expect”, “plan”, “anticipate”, “believe”, “intend”, “estimate”, “predict”, “potential”, “continue” or other similar expressions concerning matters that are not statements about the present or historical facts. Forward-looking information in this Newsletter includes, but is not limited to, information or statements about: the business model and illustrations; the Company’s strategy, future operations, prospects and the plans of management; the design, regulatory plan, timeline, costs and results of cannabis licensing and production; the timing of future meetings and discussions with Health Canada and other regulatory bodies; planned regulatory filings, and the timing thereof; anticipated marketing advantages and product differentiation of and its potential to become a licensed producer; the Company’s estimates of the size of the potential market, potential for market expansion, and the rate and degree of market acceptance, and the Company’s ability to serve such market; the Company’s strategy and ability to develop, commercialize and distribute in international markets; the Company’s ability to complete business development, marketing and other commercialization activities and the estimated timing thereof; the Corporation’s sales, distribution and marketing strategy; the Corporation’s intention and ability to obtain and maintain regulatory approvals, the timing and costs of obtaining same; the success of competing products that are or become available; the potential for commercial opportunities in various geographies and indications, including co-development and/or marketing partnerships and possible licensing and partnership opportunities, and the benefits to be derived from such commercial opportunities; and the Company’s preferred strategy to commercialize through strategic partnerships.

Although the forward-looking information in this Newsletter is based upon what the Company believes are reasonable assumptions, no person should place undue reliance on such information since actual results may vary materially from the forward-looking information. In addition, forward-looking information in this Newsletter is subject to a number of known and unknown risks, uncertainties and other factors, many of which are beyond the Company’s control, that could cause the Company’s actual results and developments to differ materially from those that are disclosed in or implied by the forward-looking information. Consequently, all the forward-looking information in this Newsletter is qualified by this cautionary statement and there can be no guarantee that the results or developments that the Company anticipates will be realized or, even if substantially realized, that they will have the expected consequences or effects on the Company’s business, financial condition or results of operations. Accordingly, you should not place undue reliance on the forward-looking information. Except as required by applicable law, the Company does not undertake to update or amend any forward-looking information, whether as a result of new information, future events or otherwise. All forward-looking information is made as of the date of this Newsletter.
